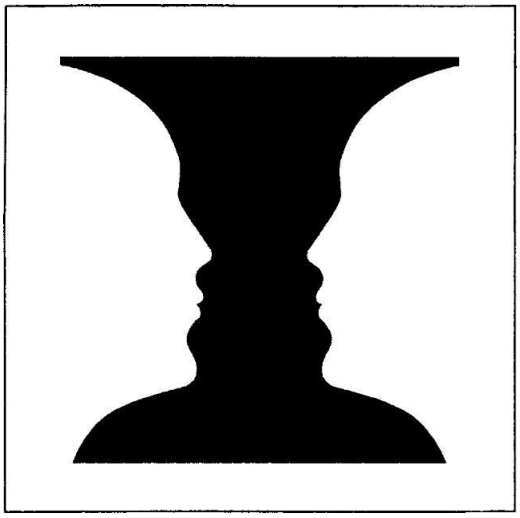
# Mind Control 101 (Part IV)



For a long time I struggled with the idea of conspiracy theories and the Illuminati being real. Then God began showing me ways in which I was personally involved with them and didn't even know it! Now there are a lot of others in the same predicament, and God will show you if you are involved with them if it is His will. But I've asked God for a way to explain it to someone that hasn't had the unique life experiences that I have.

How do you expose something so well hidden for centuries? God gave me His always 'simple yet profound' answer. How do you prove the wind exists? By the evidence it leaves behind. But first you have to understand what evidence you're looking for. Make no mistake, what we are tracking here is a tornado that leaves behind it a trail of wrecked lives.

## Is Perception Reality?

> **And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God. Romans 12:2 (KJV)**

When trying to explain a concept it has always seemed to me that the best way of accomplishing the task is to start at the outermost parts and drill down. When trying to explain how the Illuminati works my first hurdle was how to show the average person proof of their existence. Now I have come up with a pretty solid way of doing that, but the truth of the matter is that one must first be willing to completely step out of their own reality. Questioning authority is a piece of cake compared to questioning our reality.

From birth to earth our reality is carefully crafted for us by both the media and the authority figures who interact with us through church and state. Those who question their reality have to contend with ridicule for being 'conspiracy theorists' or just plain wackos, when the true insanity is to unquestioningly believe everything you are told.

To see the Illuminati one must first recognize that what they believe is an illusion. Once that happens you ask who is creating this illusion, and for what purpose? From there you start looking at everything, politics, patriotism, religion everything is up for grabs. Your world falls apart, the king is naked. There is a grieving period involved.

Occasionally you get the rare glimpse into the inner workings of the Illuminati, but the public's own incredulity usually stifles any meaningful dialogue. The following is a great example of the evidence I mean.

> **"After more than 20 years, I've finally decided to tell the world what I witnessed in 1991, which I believe was one of the biggest turning point in popular music, and ultimately American society. I have struggled for a long time weighing the pros and cons of making this story public as I was reluctant to implicate the individuals who were present that day. So I've simply decided to leave out names and all the details**

**that may risk my personal well being and that of those who were, like me, dragged into something they weren't ready for."**
**The Secret Meeting that Changed Rap Music**

Countless lives have been destroyed by Gangsta rap and the lifestyle it promotes. Was it all part of an elaborate money making scheme? Perhaps for some, but it goes much deeper. What of the higher ups? What was in it for them? This is no less than intentionally tearing apart the very fabric of society; the family unit.

## The Role of Churches in Mind Controlling the Masses

One of the most difficult truths for the Christian to accept is how their very own churches have systematically indoctrinated them into lies their entire lives. This in itself is a form of mind control. Think about that for a moment. Our own incredulity is used against us.

> **For ye are yet carnal: for whereas there is among you envying, and strife, and divisions, are ye not carnal, and walk as men? For while one saith, I am of Paul; and another, I am of Apollos; are ye not carnal?**
> **1 Corinthians 3:3-4 (KJV)**

What lies do I speak of? There are so many. Perhaps eternal security is the most dangerous of them all, lulling multitudes into a false sense of security. Then there are the pagan traditions of men that have had a facade of Christianity slapped on them like Christmas and Easter. Another is the overt presentation of the priest as the vicar (substitute) of Christ in the Catholic Church which is covertly mirrored in the Protestant denominations. “Come to us for the answers to all your questions” they will tell you.

> **For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. For every one that useth milk is unskilful in the word of righteousness: for he is a babe. But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.**
> **Hebrews 5:12-14 (KJV)**

They draw men to themselves instead of Christ to their eternal damnation. They create slaves to their system by keeping their congregations in a perpetual state of spiritual immaturity, feeding them with milk instead of meat. The churches enslave through their 'traditions' just as the Pharisees did through their Jewish fables. With every lie that they get us to believe, they further enslave us to their system. Link by link, men's souls are weighed down in submission to their Antichrist religious system.

They will tell you they are only there to help you on your spiritual path. But compare their sermons to the Word of God and the Holy Spirit will reveal the leaven. And if you dare to call them on their unbiblical teachings you will quickly discover they do not submit to scriptural authority.

> **Key communicators. Key communicators are individuals to whom members of a TA [target audience] turn to for information, opinion, or interpretation of information. Many times PSYOP personnel cannot send the PSYOP message directly to the TA, or the TA would be more susceptible if the message came from an intermediate TA. Identifying and communicating with key communicators, whether they are teachers, principals, religious figures, town elders, or prominent businessmen, can be very helpful. A key communicator can also be thought of as a celebrity spokesperson. The**

**use of key communicators can add credibility to a PSYOP message.**
**US Army Field Manual 3-05.301**

In the US Army Psychological operations manual we find that the government considers pastors to be a very important part in spreading their PSYOPS. Is your pastor **walking in agreement** with the government?
